**Cornelia Gyura** lit a candle in honor of Marjorie.

Marjorie, my husband Rasin and I share the same political views. As Germans we feel very, very strongly when we see extreme right wing rising, that we HAVE TO stand up against it and fight it. And we do! She supported us soooo much in this fight, here in our beloved USA. Thank you Marjory for your strength. You will be a part of it in our future too. Rasin & Cornelia
