# Dr. Marcia Hope Bierman

DEC 23, 1947 - MAR 30, 2022

**D**r. Marcia Hope Bierman passed away on March 30, 2022 after a short and courageous battle with cancer. Marcia, the eldest of three daughters, was born on December 23, 1947 in Brooklyn New York to Muriel and Leon Bierman, who predeceased her. A precocious child who preferred to read rather than do anything else, Marcia was a beloved sister, sister-in-law, aunt, great aunt, daughter and granddaughter, and friend. She dedicated her professional life to internal medicine with her unflinching focus on patient care above all else. Marcia touched many lives and almost all who knew her, loved her. She will be sorely missed by her family: her sister, Susan Tyler; her sister Carole LaColla and her husband Bob LaColla; their children Danielle sons Andrew and Aidan; Kyle (Mike) daughters Izada and Lena; Robert (Cindy) daughters Maya and Abigail. She will also be deeply missed by her dear friends (who are really her extended family.) Marcia enjoyed spending time with her family and friends, traveling, listening to classic rock music or show tunes, cooking for others, and exploring foods of other cultures. Marcia also cared very deeply about the treatment of animals. Marcia will be remembered for many things, but mostly for her strength, and her devotion and love of her family (furry and human) and friends.

To honor Marcia's memory, please consider making a donation to Foundation Order of Malta (Medical Missions), Doctors Without Borders, the ASPCA, a local animal shelter, or a nature or animal preserve of your choosing. A memorial service will be held on Saturday, April 9, 2022 at 10 am at the Levitt Weinstein Blasberg Rubin Zilbert Memorial Chapel, 18840 West Dixie Highway, North Miami Beach, Florida 33180 (305) 932-2700.

My deepest condolences to Marcia's family, friends and colleagues. We've lost a true treasure! I have so many fond memories on so many levels with Marcia over the years. Our mutual love of antiques and nature took us on so many memorable outings. I will never forget your wonderful and hilarious holiday parties and our Christmas Light Evaluation Committee. Most of all, I will remember your kindness, compassion and unconditional love. I will truly miss you my friend! I would like to share a poem with you. The title and author are unknown. I'll lend you for a little while, a child of mine, he said. For you to love while she lives, and mourn when she is dead. It may be six or seven years or seventy two or three, But will you, till I call her back, take care of her for me? She'll bring her charms to gladden you, and shall her stay be brief, You'll have her lovely memories as solace for your grief. I cannot promise she will stay, as all from earth return, But there are lessons taught down there I want this child to learn. I've looked the world wide over in my search for teachers true, and from the throngs that crowd life's lanes, I have selected you. Now will you give her all your love and not think the labor vain, Nor hate me when I come to call to take her back again. I fancied that I heard them say, dear Lord, thy will be done. For all the joy this child shall bring, the risk of grief we'll run. We'll shower her with tenderness, and love her while we may, And for all the happiness we have known, forever grateful stay, And should the angels call for her much sooner than we planned, We'll brave the bitter grief that comes and try to understand. Rest in Peace Marcia

I endorse Dr. Bierman's kindness. I was a recipient of monetary generosity during my bout with cancer. I am very grateful for her kindness and professionalism. She was a wonderful person to work with at North Shore Hospital. May her soul rest in peace! Rachel Brown, Case Manager.
