Adrienne Brownstein

SEP 4, 1955 - SEP 26, 2022

Adrienne Brownstein was born and raised in Forest Hills, Queens, NY, to Nathan and Muriel Brownstein. She was a very intelligent and resourceful woman. She worked in market research for many years and worked her way up to become a Vice President of a Long Island based market research firm, McCollum-Spielman, and was there over 25 years.

She loved getting together with friends, enjoyed dinners out, traveling on vacations with her good friends, and inviting family over to her home, for dinner.

When she traveled on business, she was always destined to make a good friend in the process and keep their friendship.

She was the kind of friend who was a straight shooter and real person, no pretentiousness, no BS. She was a friend where if you went for long periods without talking, it wouldn't change the relationship. She was a dear friend to numerous people for many years. She was a tough woman, a strong personality.

Adrienne was one of a kind, and too bad if you didn't like it! She was a person who always had your back.

Adrienne loved her two cats, Livingston (who has passed) and Brandi, and loved everything "cat"; blankets, pictures, coffee mugs etc.

Adrienne was an avid reader. She absolutely loved crime mysteries. She read every night, loved watching crime mysteries on television. The Closer and BBC mysteries were some of her favorites. She loved doing jigsaw puzzles and would glue them to make wall pictures.

Adrienne enjoyed country music, especially Reba McEntire and Carrie Underwood.

She loved attending concerts in NY, as well as Broadway plays, such as Chess.

She was always there for her family, her sister, Marla, and brother-in-law Blake, and especially her niece Sarah.

One of Sarah's fondest memories was when a sudden NY snowstorm came in April, and she, Marla and Sarah had an awesome snowball fight. Sarah and Marla also really loved going to her favorite NY restaurant, Parkside, in Corona, Queens.

We'd enjoy ices at Corona Ice King and watch bocci ball playing by the local Italian men in the community.

She enjoyed life the way she knew it! Adrienne will be loved and missed by all who knew her.

Adrienne is survived by her sister, Marla, brother-in-law Blake, her niece Sarah, and her dear cat Brandi.

Adrienne and my husband, David, who has also passed, were first cousins and very devoted to each other and I became close to her, as well. My daughter, Suzanne, and her husband, Ryan, also had a close relationship with her. We had such wonderful times at Adrienne's when she lived in NY and great times at the Parkside Restaurant. No one could entertain like she could. She loved having her family and friends around her. She was such a vibrant person; so intelligent and devoted to her family and friends. Adrienne truly lived life to the fullest. She will be so missed. Love, Barbara

Adrienne was my neighbor who became my friend over 20 years ago. I was sorry to see her move down to Florida because I was losing such a dear sweet person who always greeted me with a smile. I knew it was the right move for her to move, though. I was so sorry and saddened to hear of her passing. So very sad. :- (I will miss you, my friend. Rest In Peace. With much love, Robert Nicita

Adrienne and I spent years going to Montauk during the summer. Lying around, chilling out, laughing and watching Mama Mia about 1,000 times! We'd laugh our butts off listening to them singing !
