MAR 19, 1938 - OCT 19, 2022

Shelley Stone, 84, of Pembroke Pines, Florida passed away on October 19, 2022. She was a precious and loving soul, a wonderful wife, mother and a friend to many. As written by Richard

"She was my best friend. The first time I met her I was smitten and we were together of 29 wonderful years. We traveled to many places, but the best times were when we spent precious moments talking. Shelley had a great capacity for love and understanding, and she helped me many times in difficult situations. She was a unique spirit with incredible strength and I am so grateful to have shared over 29 years with the love of my life!"

Shelley was predeceased by her son Harvey Stone and is survived by her beloved husband Richard Ascher, loving children Brittany Michelle Paige and Robin Sures (Rick) and two cherished grandchildren Joey and Sydney.

Brittany Paige posted:

I recall when we were in Disney Land some years ago and had stayed in the presidential suite within the complex. In the suite we had a baby grand piano, and my mom often took opportunity to play some of the beautiful, classical music that she knew. I recall that and that is one of my fond memories of her being happy in front of a piano. - Brittany Paige.
