I know I was only a cousin, but my best memories of the home/any home that had Uncle Marty in the house was the place to be. Coming from Russia and being introduced to my new and best possible family out there was filled with so much heart, love, acceptance, and today... Tradition. I will always be proud and honored to be a member of such a loving, caring, and, unforgettable, family, and the memories we get to remember and have over the years. RIP, Uncle Marty
