Dear Gareth, I am truly sorry to hear about your mother's passing. She was always up front and honest, which seems to be a commodity that is lacking more and more every day. There is no doubt that she will be missed and I will always remember how good I felt inside on HHD, when I would see you and your mom, sitting together in that front row, with you hats. Your mom and her hats! It simply filled me with unabashed joy to see her and you in hats at HHD. There is no doubt that she will be missed by many.
