Joan Rosenfeld posted:

Wonderful Rose was the strongest woman I ever knew. She always thought of her family first and did her best to hide from them the pains and stresses she must have felt on her life's journey. Likewise, concern for her friends was an important part of her life and you always knew you could count on her to be there for you. Rest in peace dear Rose. I shall terribly miss our Friday night dates but not as much as I shall just miss you.
