What an honor it was to know Marty. He was a giant in his field of finance, a leader in the industry and the consummate gentleman. He helped hundreds of men and women become successful in their careers while also helping them remember that the most important thing in life is family. He did this through his example of achieving incredible success in his business while also achieving incredible success as a devoted husband, father and family man. Marty loved his family and made many of us feel like we were part of his extended family. It was my pleasure to know him and has been my pleasure to know his beautiful, kind, and gracious wife as well as his sons Jeff and Doug and his daughter Jill. They each emulate many of Marty's wonderful qualities including his tireless work ethic, sense of humor and sincerity. Marty's death has certainly left an enormous void that will be difficult to fill. We send prayers of peace and comfort for all of you at this difficult time. With our deepest sympathy, Harvey and Jackie Carmichael
