Audrey Lippman Morgan posted:

Arlene was my first cousin. Although she was 8 years older than I, we grew up living 4 blocks apart and were pretty close. We took piano lessons from the same teacher although she had all the talent. I remember visiting her in Rochester while she was at Eastman and going to her wedding to Harry. I just spoke to her on the phone while she was in the nursing home a few weeks ago while she was in the nursing home.
