I met Hannah in Boca Raton in December 1989 and for the following 34 years we shared years of laughter, tears, joy and challenges. We shared each others life on life's terms. We saw each other daily for many years and the foundation of our friendship was strong. We were always there for each other. At a few special anniversaries and birthdays each year, she would always text the day before the event so she would be the "first" to congratulate me. That was my friend. Your heart was love and you touched all you interacted with. Dance with the angels my friend until we meet again . ❤️

Hannah and I met in Montreal and Miami when we were in our 20's. Though our paths led us in completely different directions over the past 4 decades, we always maintained our friendship from near and far. She was a bright light with a vibrant spirit to all who knew her. She will be sadly missed but remembered in the fondest way. My thoughts and prayers are with her sister Sheila and family. May you be spared further sorrow. Rest in peace my dear friend,Suzie Pridham
