I enjoyed working in the office with Richard for many years. His family, his clients-many of whom were or became friends-knew the big heart he had. He would constantly attend meetings for the betterment of his community, YMCA, AYSO, etc. Enjoyed sports so much he co-hosted a sports radio program. Always enjoyed his quick wit and sense of humor. He and his partner Dan, even sent and paid for me to take accounting courses at the local community college to help expand my knowledge. Just a great guy who will be greatly missed.

To the Schwartz family, Richard was our accountant and a part of our lives for over 20 years and helped us navigate through the best and worst of times. He was truly a part of our journey as an advisor and a trusted, loved friend whose counsel and support meant more than we can ever convey in words. He will be greatly missed but never forgotten.Lori & Dave Alter
