I'm a friend of Marla's from Crossroads. I was thinking to look her up online to see if the past events were on the internet . I found this obituary and I think Marla would have looked like her aunt if she got older. The eyes and makeup are the same and even the lips. I was a few years younger than Marla but now I am 44 now. I think about her often and I remember you all . Marla loved her family so much . Xo Jenna Gross
