Uncle Randy was always the shining light at any family gathering. I went to his wedding in 1974 and I will never forget how handsome and alive he was with energy. The tone of his voice and the way he talked to you made u feel like you were most important person on earth. Always smiling like he knew a secret about something awesome. His positive energy and smile was contagious. Uncle Randy will always be in our hearts. If everyone acted like Uncle Randy the world be much better place. RIP to a beautiful man.
