I will miss my Aunt terribly. I have so many wonderful memories but the best one is when I was 13 and stayed at her house in Miramar Florida. My Aunt was very meticulous and always knew when anything was out of place . I was hungry and opened a can of fruit cocktail and put the empty can in the garage. When my aunt came home she held up the can and asked who ate it and I confessed it was me. She said she knew because I put the garbage can on crooked!! I love you Aunt Anna and hope you are in a better place 🙏❤️

Yes, that was indeed my mother. We were not allowed to go to the refrigerator as we might make it dirty!
