Mrs. D was a delight to be around. She was so gracious to open her home to us Norland gals for our dinners. She was one of a kind and will be missed by many. Rest in peace.

Mom, you definitely are a tough old Bette you lasted a lot longer than I thought you would want to know that I'm gonna miss you. I love you for the rest of my life. The comments that are posted that you are such a special loving woman makes me so proud to say that you were my mom, and I hope and pray that you continue to be proud of me and look over me and Gregg and the rest of the family and your friends and the animals I hope and pray that the person that you were I love you xoxo
