My life is a tribute to the Love and Light that you (Mom) brought and taught me to be and share with others. I would not be the caring human being I am if not for your example! Thank you for loving me "Unconditionally. You have shown me how to be a better human being, a better brother and most importantly a better father than I could have ever been if not for you! THANK YOU!!!! I will carry on with my life with the courage and tenacity you taught me by your example. You taught me to "Never Give Up-No Matter What" - and that is what I will do in your name. I will Love you forever! You Son Steve##imported-begin##Steven Ladoux##imported-end##
