I've been getting arnoud the site quite a bit now. Anywho, I just wanted you to know part of your information on aromatherapy was cut off. Such as this:Bath time: Add 20 drops of your most calming oils into a warm bath. If you want silky smooth skin, also add a tl thought you might want to fix this, or finish it up accordingly. Thank you for your time![]###imported-begin##Jobdoctor##imported-end##
