I have a couple of quiestons. I would like as much information you can give about your sessions. I have a combined family. My husband and I have five children total. I have all girls. He has one boy and one girl. Each child has thier own personality of course. We are all country at heart with a little redneck a little diva and a little love and meanness mixed in. I would love to have our family pictures taken. Some poses with all and some of just the kids, some of each kid, and some of just us adults. I am sure it would take a little longer than the boys would like. I want some outside. We have an old red barn in our back yard and I would love to do some by it if you do onsite photos. Or if you can think of another location that would be fitting. I wanted everyone to wear dark denim and white long john shirts.. everyone can add what they want to the outfit to make it thier own. of course everyone would be in thier boots.I look forward to hearing from you soon.##imported-begin##Tamara##imported-end##
