I woke up this morning with a pain in my heart, remembering it must be a year since Joy has been gone I have missed her for years from my life, but always thought we would find each other again some day. I will always remember her smile and how she would swing her arms as she danced. I will miss my lost friend. I have so many happy wonderful memories of Joy. All my love goes out to the Weisbkum family, may she be at peace.##imported-begin##Lori Geller Farber##imported-end##

I have thought of Joy frequently over the last several weeks, and I have such fond memories of her. She sat behind me every day during PA school, and I miss her laugh and presence very much. I can't imagine the loss of a child Bob and Roz, and I want you to know you are in my thoughts and prayers daily. Your Joy will be truly missed!!##imported-begin##Beth Boyum##imported-end##

I met Joy in FL back in 1994 before we both moved to NY. She had a spark about her and a certain exuberance that I could feel every time I saw her. I'll carry her memory in my heart always. I wish the Weisblum family peace during this time and always. Much love, Donna##imported-begin##Donna Schenker##imported-end##

I am very sad to hear about Joy. I had the privilege to share with her some tears, much laughter, a variety of many other feelings and thoughts. She truly was a 'Joy' & lit up every room she was in. I will really miss her. Hannah Alper##imported-begin##Hannah Alper##imported-end##

I just heard the news, otherwise I would have made it to the services. I just want to say how sorry I am for your loss, a loss that hits us all. I have known Joy for nearly 4 years. She loved her family very much and appreciated everything they have done for her over the years. I stayed a weekend with her this past November. She spoke almost constantly about her brother and her parents. She showed me around her new neighborhood we caught up. I will miss her dearly. We used to laugh and say we were such an unlikely pair of friends that we must be sisters somehow. I am going to miss her voice singing the theme song to Greece on my voicemail, along with many other things. It would always bring a smile to my face. She will be missed dearly. Love always, Sandi L.##imported-begin##Sandi##imported-end##
