Steve will truly be missed as he was a mentor to many of us here at DPM. He taught and helped many of his co-workers to obtain their certification. Steve was always there to assist anyone who might have questions or needed advise. To me he was a good friend and someone I could confide in. We would discuss politics, world events, environmental issues, travels, and yes - we would also gossip a little. Buddy Ã¢â¬â Gods speed to you and bless you and your family.##imported-begin##Amado Gonzalez##imported-end##
