Will love you forever! I feel you everywhere I go beauty boy. Wish I could go back in time to the moment we met, and said 'don't die'. 'Don't do drugs, don't fall into the ignorance of the fabulous people , and night life.... don't die!!!!

Olga, I'm so sorry for your loss. I am wondering if Arthur was my friend from HS. Did he go to John Dewey in Brooklyn? I think of him from time to time and wonder how he is. If it is him, I'm so saddened by this news. He was a very kind and beautiful young man. May he rest in peace.

There are stars whose light reaches the earth only after they themselves have disintegrated and are no more. And there are people whose scintillating memory lights the world after they have passed from it. These lights which shine in the darkest night are those which illumine for us the path.
