We are so thankful that when our mother prayed for someone to work for, God sent her to Mrs chouinard.Our whole family has been tuched by her generous heart through the years. When we were little girls our mother would bring home candy and food and trinkets and such things from hotels like little shampoos, lotions and keychains ect.even as we grew older we would get excited when mom said Mrs Chouinard was going to have her help her clean out closets because she would always send things home to us.There were times when mom or one of us got sick and she would send a meal or some of her good soup to cheer us up and even help us get better!there are tears in my eyes right now because we will all miss her TRUELY, this lady has been a blessing to us and God bless her memory!##imported-begin##Julia and Mary Evens##imported-end##
