you got on our nerves squeezed our butts when u said hello and always had a lecture waiting for us when we talked to you....you loved to argue but it was fun and you loved calling me a wise a guy when i had a slick remark....even though u had faults that we all hated and had things that we loved that is what made u the person you are and the person we loved while u were and still love to this day....you are missed but will never be forgotten.....R.I.P GRANDMA##imported-begin##Timothy##imported-end##
