Mom, I think about you every day. So much has happened in my life and I miss being able to share it with you and make you smile and hear your thoughts. I miss our shopping adventures (Marshall's misses us)and even our arguments (although not as much as the shopping). So many things I wish I'd said and so many times I'll be by myself and say, I've got to tell Mom that. And I do, in my heart. I love you and will miss you, always.Your daughter.##imported-begin##Rhonda Sherman##imported-end##
