We are deeply saddened by the passing of Poppy! I am so guilt stricken that I had not been in contact with him due to serious, personal health issues. I had called his home/cell number yesterday for their birthdays and instantly became very frightened by the possibilities. Yaya and Poppy were a very loving, important part of our family's life. They will forever be in our minds and hearts! We are so sorry for the loss of these two amazing people but so happy they are now reunited in spirit. Condolences to the families. xo###imported-begin##Mary and Russell Westerlind##imported-end##
