Dear Mom,I loved you so much it hurt. You were an Inspiration for me to value doing a good job and loving your family. I so enjoyed our lunches and outings together, you were always a good listener and had sage advice. I thought we had several more years to be close, but I guess it was your time to go. I just wanted you to be happy and enjoy your life without worrying about bills.##imported-begin##Darlene##imported-end##

Miss Pearl,You were deeply loved and will be missed by many to include me. I just learned of your passing and needless to say I was shocked. You will be sorely missed as you could always brighten my day with just the thought of you and your laugh.##imported-begin##Ronald Osborn##imported-end##
