I wasn't aware of Arthurs passing and would have attended the services if I had known. Arthur was my grandfather by marriage but we became close over the years. I would have coffee every tuesday morning with Arthur and Grandma (Bobby) for many years, over that time I came to know him very well. He was a shrewed business man and taught me much. He was extremely intelligent and was good to his family. I have many fond memories of vacations and holidays spent with them over the years.##imported-begin##Robert Lovins##imported-end##
