Mom, there hasnt been a momemt where I have not missed you, each day seems to be harder and the tears are still flowing like an open faucet. I miss and love you so very much. I pray that you are at peace and no longer have any pain. Until I see you again in heaven know that you will forever be in my heart mom. I love you.Lisa###imported-begin###Lisa Gordon###imported-end##

As I've already expressed in my message to Jodi & calls to Lisa & Kelsey I'd like to also extend my deepest sympathy to the rest of Arlyne's immediate & extended family which I felt I was a part of as well. She will be greatly missed, but I do take comfort in knowing that there's no more pain or illness for her as she's now comfortable & at peace reunited with her parents, family & friends & looking down on all of us with love, giving us all the strength to push through the pain & carry on as we know this is not goodbye but farewell for now, we will all be with her again when our time here is done! I have many fond memories of Arlyne from these past 17 years most recently from Kelsey's birthday dinner & I will hold them & her near & dear to my heart always!###imported-begin###Cathy Leach###imported-end##
