Tonya Dea Wood-Olin

SEP 14, 1964 - APR 25, 2025

Tonya Dea Wood-Olin was a loving daughter to Glenn David and Karen Wood. She was born on September 14, 1964, in Green Bay, Wisconsin. She is now resting peacefully in God's hands.

Tonya was preceded in death by her father, Dave Wood.

A 1982 graduate of North Branch High School and a proud alumna of Central Michigan University, Tonya devoted over 30 years to teaching. She touched countless lives in various schools, lovingly referring to her students as "her kids" and always offering them her kind and caring spirit.

In her spare time, she opened her heart and home to many rescued dogs, fostering them with deep compassion.

Tonya will be deeply missed by her mother, Karen Wood of North Branch; her brothers, Troy (Debra) Wood of Royal Oak and Terry Wood of Livonia; and her sister, Tracey (Ron) Hunt of Lapeer. She was a devoted and loving aunt to her nieces and nephews: Avery Wood of Royal Oak; Anthony, Thora, and her great-niece Delaney; Silvia and Ronny of Lapeer; and Elijah (Khalia) Hunt of Grand Blanc. Tonya's final chapter was written in Hollywood, Florida, where she lived with her husband, Mitch Olin. The two happily married on September 6, 2020, and she was a bonus addition to his family, including his children, Josh and Syd Olin.

Tonya leaves behind a void that will be deeply felt by all who knew and loved her.

In honor of Tonya's memory, please plant some flowers, consider donating to your local pet rescue center or to 100+ Abandoned Dogs of Everglades Florida,

My fondess memories of Tonya were the hours we spent on the phone. Talking about everything from Wheatens/dogs to football. She was famous for her tailgate parties in Detroit!!! I was so thrilled when she retired and moved to be with her true love in Florida. My heart breaks and will miss her forever. Have a beautiful transition and give all the dogs lots of ❤️ Kate Whisler

I met Tonya once when she visited Michigan with my good friend Mitch Olin. I spoke with her and Mitch together on the phone several times. They were as happy a couple could ever be. Mitch always talked warmly of Tonya, how deeply he loved her, and how she completed him. Life is beautiful and brutal all at the same time. My heart goes out to Mitch and all of Tonya's family.

My heartfelt condolences to all of Tonya's family. The news was a shock, and I'm so sorry it has been so long since I last got together with both Tonya and Mitch. When I think of Tonya, the first thing that always comes to mind is her big smile and her laugh. I know she had her serious moments, but my memories all involve lots of laughter. One time in the late 80's, I recall I was with Troy in his black van, with Tonya, maybe Terrence, probably some alcohol (just kidding...100% there was alcohol 😊), and doing donuts in the muddy lawn. We were having a blast and I swear I hear Tonya laughing right now just thinking about it! Tonya, thank you for providing such a bright light in so many people's lives. You will be missed. 🙏❤️
