# Kenneth J. Libman

JUN 25, 1958 - JUL 18, 2025

**K**enneth “Kenny” Libman passed away surrounded by loved ones, leaving behind a legacy of fearless living, boundless energy, and unwavering love for family and friends.

Born on June 25, 1958, in Montreal, Canada, Kenny was a man who lived life on his own terms. He was full of life, quick to laugh, and unafraid to take the path less traveled. His presence lit up every room, and his bold spirit inspired everyone who had the privilege of knowing him.

Kenny is survived by his beloved wife, Rachael, his devoted daughter, Naomi, and his cherished son, Ryan. He also leaves behind his father, Robert Libman, and his siblings: Laura Jasper, Debra Libman Aach, and Brian Libman. He was predeceased by his loving mother, Bleema Libman, in 2019.

Professionally, Kenny was a visionary with an extraordinary creative instinct—someone who saw possibility where others saw limits. His talent and imagination came to life through an array of real estate projects across the United States, each one a reflection of his unique aesthetic and fearless approach to design and development.

Kenny was not just a brother, husband, and father—he was a hero to many. His generosity, humor, and unshakable optimism shaped the lives of those around him in profound ways. He never took life too seriously, but he gave serious love and loyalty to the people he cared about.

A funeral service will be held at Levitt-Weinstein Memorial Chapels and Cemeteries at Beth David, 3201 North 72nd Avenue, Hollywood, Florida, on Thursday, July 24th at 11:00 a.m. Shiva will follow at the home of Debra and David Aach. He will be deeply missed and forever remembered. The family requests donations in memory of Kenneth Libman to the Charity of Your Choice.

Arrangement by Levitt Weinstein Blasberg-Rubin-Zilbert Memorial Chapel, (305) 932-2700.

**Rachel Libman** shared a photo to the **Tribute Wall** album.

My husband was not only the most handsome man I had ever known, but also one of the most brilliant. His smile could light up a room, and his presence carried both strength and kindness. He had a sharp mind that impressed everyone he met, yet he always used his brilliance to lift others up rather than to boast. He was the kind of man who made people feel seen, valued, and loved. I feel so grateful to have shared my life with someone so extraordinary—his memory will always remain a source of pride, love, and inspiration in my heart.
