Naum was an amazing mentor to me in my early days at 3M. Once a week he took me out for breakfast on his trips to Minnesota and treated me like his own family. He and his wife Margarite invited me to their home during a layover in Atlanta after he had retired and even then he was gracious and giving. I have been thinking about reaching out to him a lot lately and I am sad that I missed the chance to touch base with him. Truly a wonderful man. Thanks for everything, Naum.
