Oh my goodness. I was a patient of Dr.Gotlin. ill just went online to make an appointment with him and I just saw all of this about his passing 😞. This hurts my heart. He delivered my baby in 2015. Wow this is unbelievable. He was always the best Doctor. Straight forward, funny, and just an all around great person. Ive been his patient since 2007. May he Rest In Peace. Condolences to his family ♡

In complete disbelief & deeply saddened! About 10 years of being my OBGYN! Delivered both my babies. Nothing but great energy, was ALWAYSSSSSS a text away for any questions or concerns of mine, provided the best & greatest care for myself, my babies & my family as well. I'd hate to see anyone elseeeee :(may God have you in his grace & may you sleep peacefully ☐☐☐☐ forever the greatest OB ♡

Dr.Gotlin was an amazing doctor he never judged me and he made sure me and my son were always doing well. He assured me he'd still be working when I have my next baby... never expected him to leave so soon.

I have so many memories of Doug. I can see him in his Judo gi on the mat teaching kids not much older than him. He would walk the mat making sure to get his "good work" encouragement in every few seconds. He would have to leave the mat if anyone had a bloody nose or a scratch because he couldn't stand the sight of blood. Anytime we saw each other over the years, we laughed about this because of the profession he decided to specialize in. I think of his over the top wedding with his beautiful wife and how happy I was to be able to share it with them. I also am so glad that I got to spend some one-on-one time with him not so long ago when he visited me in Galveston. I love him and the entire Gotlin Family so much. Even though we have not been able to see each other often, I have always considered them family and my heart is broken for them and their loss. I want them to know that I will always keep them in my thoughts and prayers.

Our deepest condolences to you Nicole, Max, Susan, Ronald, Natalia & Family. Words cannot express our sadness. We loved Dougie so much and are just devastated. We are thinking of you every minute and hoping you can hold on to each other until we can get to you. My fondest memory is when we planned to surprise Tony in Miami Beach for his birthday and Doug was hiding behind the glass wall as we walked by. It was the absolute best day ever. We love you all dearly. Doug will be missed so much we cannot imagine him not here. XOXO ALL OF OUR LOVE, THE DARDANO FAMILY
