Rosalie Steinweis

NOV 25, 1922 - DEC 15, 2025

It is with great sadness that we share the passing of Rosalie Steinweis of Sunny Isles Beach, Florida. Rosalie passed peacefully in her sleep in the early morning hours of December, 15, 2025, just 3 weeks after her 103rd birthday. She will be deeply missed and forever remembered.

Rosalie was a devoted mother of Saul (Irva), and Alan (Susanna), loving grandmother of Gayle Peck (Jason) and Melanie Steinweis, and adoring great grandmother of Brooke and Fara Peck.

Rosalie was born in Kielce, Poland to Saul and Esther Weisbrot. She was the oldest of 5 siblings. In May of 1942, Rosalie and 1 sister and 1 brother were deported to Labor Camps and survived the war. After liberation, she met her future husband David, also a survivor. They were married in a DP Camp in Germany where their oldest son, Saul was born.

The family came to America in November of 1947 to start a new life. After establishing their home in Brooklyn, New York, their youngest son, Alan was born. Rosalie was a seamstress by trade. During the 60's and early 70's Rosalie and David operated their own dry cleaning and alteration business in Brooklyn, where the family settled.

Rosalie and David moved to Florida eventually settling in Winston Towers in Sunny Isles, where they enjoyed their retirement, socializing, playing cards, hanging out at the beach and pool.

Rosalie's life was marked by resilience, courage, and strength. She was a survivor in every sense of the word.

The family requests donations in memory of Rosalie Steinweis be made to the Jewish Community Services of South Florida, <https://www.jcsfl.org> and 3G NY, Descendants of Holocaust Survivors <https://www.3gny.org/donate>.

I'm so terribly sorry for your loss... Rosalie, or Rozia, as I called her, became such a close friend of mine over the last ten years. I met her back in 2016 when I was looking for testimonies of survivors about their experiences of emigration after the Holocaust. She turned out to be such an incredible interlocutor; intelligent, sharp, and witty. Although our conversations stirred all kinds of difficult memories for Rozia, she showed no bitterness, no sense of grievance. When I met her, she had already been seventy-odd years away from Poland, and yet her command of the Polish language was impeccable! I think she enjoyed me as much as I enjoyed her, because we quickly became phone pals, chatting once a month for years. I loved her humor. I loved it when she sang prewar Polish songs to me. I loved her bright mind and optimism, and her joy of life no matter what... And how she always loved talking dirty politics :) I will always remember her laughter and her singing... I will miss our phone calls. I loved her dearly.
