## **Sharyn Collins**

OCT 22, 1946 - JAN 1, 2026

**S**haryn Collins, 79, passed away peacefully on Thursday, January 1, 2026. Sharyn was born on October 22, 1946, in Toronto, Ontario, Canada. She graduated from Dominion College of Business in 1965 and later relocated to Miami in the 1970s, where she made her home for many years. She was predeceased by her adoring husband, Robert Collins, with whom she shared 45½ loving years of marriage. Sharyn's devotion to Robert was the great love of her life and remained at the center of her heart. Sharyn is survived by her daughter, Lisa (Scott) Neeman. As well as Greg (Suzette) Collins, Brent (Heidi) Collins, Matthew (Lisa) Collins, James (Lori) Lundh, Laura Pesch and Steven Maloney. She will be fondly remembered for her sweet, nurturing nature, impeccable manners, and gentle spirit, touched with a hint of naïveté and a flair for the dramatic. Sharyn loved her cats deeply and never missed an episode of General Hospital. She found joy in entertaining, playing Trivial Pursuit, going out to dinner, attending concerts, and embracing life with a youthful, fun-loving heart. In honor of Sharyn's compassionate spirit, donations may be made to St. Jude Children's Research Hospital, <https://www.stjude.org>, her charity of choice. A Chapel Service will be held on Friday, January 9, 2026, at 2:00 p.m. at Levitt-Weinstein Beth David Memorial Chapel. 3201 N. 72nd Avenue, Hollywood, Florida 33024. Arrangements by Levitt-Weinstein Blasberg-Rubin-Zilbert Memorial Chapel (305) 932-2700.

I have the fondest memories of your mom and her bright, shiny personality and smile! All of the get togethers at the house, kitchen and jacuzzi hangouts and good times filled with music and laughter to dance classes, recitals and youth fair performances, and more. I will never forget one of your sleepover parties. We had enjoyed lots of pizza and other great stuff and I remember us all in sleeping bags in the "den" when all that fun food became not so fun and I vomited all over the place in the middle of the night. Your mom was just the sweetest of course and didn't even flinch. She brought me into the kitchen and loved on me (even though she probably wanted to puke) until my mom came to get me at like 2 a.m. (which at that point I'm sure she had to go clean up my yak)! I always felt so loved and taken care of in your home. She was an angel then and she is an angel again now, reunited with Lynn and Bookie and other loved ones. With love always, Jen Paul

My friend is fierce, witty and loving. I will miss her very much. I will miss our long chats, the laughs, her book recommendations and all her stories. Especially those she'd spend hours telling me about her beloved Robbie. ☐ I will always cherish our time together and will definitely miss her. My sincerest condolences to you, Lisa, her friends and the rest of the family. Alejandra Aymes.

It was such an honor to be her bonus daughter! She held such a special place in my life and in my heart. We met when we moved into the house behind hers and Dr Bob. shortly after we moved in, my mother passed away - I was only 36 and slowly the relationship and the bond that we made was so special. She became a surrogate grandmother to my daughter, Erika and they bonded very quickly as well. This coming August we were planning to celebrate our 25th anniversary of when we came into each other's lives. But let's be real... we would make things up to celebrate lol we never needed a reason We always pick different things to celebrate because she loved to go out and just share special times. I'm attaching some photos of all the myriad of things that we did together throughout the years. Dinners out, concerts, experiences, when she and Dr Bob walked me down the aisle to marry Frank. Who they fell in love with just as quickly as I did. Bringing her to our family events for all the Jewish holidays and Thanksgiving and just Endless conversations and laughter. My dear bonus mom, I will miss you so dearly and love you eternally!! Long live the frog's legs!! Rest peacefully mama Sharyn - the queen- and give Dr Bob our love!
