Helen Joan Stein

MAR 18, 1936 - JAN 14, 2026

Helen Stepakoff Stein passed away peacefully on January 14, 2026, surrounded by her grandchildren and great grandchildren. Helen was the dearly beloved wife of the late Martin Stein, beloved mother of Shanee Stepakoff, and not so beloved mother of Mark Stepakoff. Loving grandmother of Liz Lawfer (Sam Lawfer), Jonathan Stepakoff, and Yana Serry. Great grandmother to Mac and Fitz Lawfer. Stepmother of Barbara Webber, Marsha Stein, Michael (Gena) Stein, and Peter (Jeanne) Stein.

Helen was born in Boston, MA, on March 18, 1936. She had an extremely successful career as a real estate broker and, though she retired many years ago, kept her license active until her passing. She always had the inside scoop on listings both at Ocean Reef and in Boston and referred to herself as a "deal maker." She was incredibly social and had many close friends from across different aspects of her life.

She could often be heard chatting away on her phone in her thick Boston accent, sometimes as she drove through a stop sign in her beloved "Marty" golf cart. Helen was an active member of the Ocean Reef Club for 40+ years including Canasta and Mahjan, winning the club championship for both. She was also active in tennis in her younger years.

Helen enjoyed the wonderful community at ORC and especially getting together with friends every Saturday night to dine at her special table out on the porch at the Islander while she enjoyed an espresso martini with Frangelico. She loved to travel and spent time visiting destinations around the world with Marty and with friends. She loved boating and spending time on the Steinsong, which was docked at E11 on the Reef for many years until the Steins moved to Harbour Green.

She truly loved this club and the ORC employees, developing close friendships with many of them over the years. In light of this, please send any donations in lieu of flowers to the ORC
