Comments

“ My deepest condolences to Tammy and David’s family but know that he is in a better place although it’s not easy to lose a loved one. I worked for David when he first came to work at IDB in Aventura. He was a demanding boss always expecting the best of everyone but he had a sense of humor and a warm heart. I’ll never forget when he showed up at my mother’s church service in Kendall. It really meant a lot to me. May He Rest In Peace and G-d grant his family conformity and keep the memories close at heart.

Blessings
