“ J'adresse mes sincères condoléances à Mme Levy et la famille.
J'ai eu l'honneur de participer aux réunions du groupe de Nice dirigées par Gaston et ce, durant quatre années. Je garde de Gaston le souvenir d'un homme chaleureux, qui a enseigné avec exigence et bienveillance.
Je remercie Gaston pour tout ce qu'il m'a enseigné.
Gaston n'est plus mais il s'en est allé là où brille la Lumière.
Affectueuses pensées.

“ A Mon Grand Maître Gaston.
Que votre voyage de retour soit une joie de vie et de compréhension,
Vous qui les avez enseigné sans relâche.
Toute ma reconnaissance vous accompagne dans ce voyage vers l'infini.
J'ai eu l'immense honneur de vous connaître, d'être intronisé par Vous
et les Disciples de Barcelone en une émouvante cérémonie, inoubliable,
qui restera gravée dans mon coeur, mon âme et mon esprit.
Je sais que de là-haut vous veillerez sur moi, sur nous et la Logosophie.
Merci Gaston.
Merci mon cher Maître.
Votre absence de Nice a été une grande peine.
Bonne route Gaston.
Je vous aime.

“ Dear Claude and family
I am deeply saddened of the news of Tony's passing and my thoughts are with you.
He was such an extraordinary and wonderful man who was always so gracious and kind to my mother and me here in Boston. When he opened the Logosophy Foundation here in Boston for a decade, it was a beacon of light and hope for our spirits. I am forever grateful to him for introducing me to Logosophy as it changed my life for the better.
Please accept my deepest sympathy.
