

Harriet Rubin

January 15, 2022

Harriet Eleanor Solomon Rubin, 99, passed away peacefully January 15, 2022, with her daughter and family by her side, at home in Westminster, SC, overlooking the tranquil lake from her bedroom window. She lived with her daughter and son in law, who respected her wishes to pass peacefully at home. At times Harriet would ask Marsha, "Are you going fishing — and can I go on the boat?" Harriet was born in Brooklyn, NY and was the daughter of the late Barney Solomon and Dorothy Blum Semmel. Harriet had been a Manicurist and Pedicurist at various Barbershops and Beauty Salons until the age of 90. Harriet, known for her generous and giving heart, was a wonderful mother, daughter, wife, sister, aunt and a nana to all. Always the life of the party... she never missed any family functions. Harriet loved golfing, dancing, cruises, and preparing exquisite meals at family gatherings. Harriet is survived by her daughter Marsha Duvall (husband Thomas), sons; Mitchell Gallander (wife Barbara), Robert Gallander, brother, Michael Solomon, grandchildren; Marcus Caruso (wife Nicole), Toni Thompson (husband Tommie), Alexa Gallander, Michele Gallander, Ernie Gallander, Freddie Gallander, Madelon Marchione, Brandon Gallander, Heather Martinez, and numerous great grandchildren and great-great grandchildren.

In addition to her parents and husbands, Harriet is preceded in death by her brother, Martin Solomon and grandson, Shane Gallander. The family suggests memorials in Harriet's memory be made to Construction Angels, Inc, a non-profit charity. Harriet was always a charitable woman and loved our passion for the construction industry.

“*Marsha was my best friend decades ago, when we were 12 years old and subsequently, I spent lots of time at her home. Whenever I would see Marsha's mom, Harriott, (Mrs. Gallander to me) she was always the picture of glamour! I especially remember her black hair was perfectly in place at all times. In addition, she never failed to welcome me with a loving smile. She made me feel so at home there. I have warm and loving memories of those childhood days!❤️❤️❤️*
All my love, Maureen

I will forever cherish my memories of Harriet and her family. They took me in and treated me like family. Harriet was a firecracker. I loved her spirit and zest for life. They all came together almost every weekend just to have a good time. Harriet was the leader of the pack. God love her. 99 years old. She watched her family grow and grow. What an amazing legacy. Rest easy Harriet. Thank you for your kindness and friendship. I became family. I will miss you. Give Buddy a hug from me. Watch over your family. God bless you. I love you all. RIP!!

My favorite Aunt. I always remember the fun we had when we lived on the same street. Sunday brunches. back yard cook outs, drive in movies and a little bit of Ping Pong. There was always laughter. My Mother and Harriet were like sisters and my Father and Uncle Earl were raised in the same house and were like brothers'. I loved her style in decor and her style of dress and still hear her heels clicking across the floor. I was her daughter substitute while she waited for Marsha to come. I will miss her forever but I know there is a great family welcoming her home. I can almost hear the noise from here. We were never a quiet family and I'll bet Aunt Dena is playing Autumn Leaves to get the party started. Rest in love, Aunty.
